Cost of Passage by Lyod Triestino :-

With regard to this item, it is now stated that it has been decided that only the actual Cost of the return journey from Bombay to London & back should be paid and that on this basis a sum of £ 104 plus £ 25-12-11 (Supplement & other expenses) are due payable to the Dewan. This decision was communicated in Mr Wingate's letter dt 2(X)12-1932. Point in the Subsequent Communication dt 23-12-X 32 from the India Office, Whitehall, London, it was intimated that it was decided to allow the total expenditure incurred by the Delegates who travelled by Lyod Triestino on this basis the bill a claim for £ 138-15-11

The only amount that has not been admitted is the difference between the charges of "two Single passages" & "Return passage": They have admitted all the incidental charges claimed for sleeping accom?, laundry tax, reservation charges etc, as intimated in the India office letter d. 23.12.32. It does not appear to be worth while to pursue the matter & claim a £ 14-8-0. They may interpret the words "Total expenditure incurred by delegates" as actual cost of a Return passage + other necessary incidental charges which have been passed.

The amount admissible is apparently limited to "Return passage". We can make no claim on this account B nil

It has to be ascertained when and how the Compensatory and Subsistence allowances up to end of Nov. 1932 were paid. Draft is put up for Consdn.

It is also for orders if a separate bill need now be sent in respect of the Compensatory allowance asked for in Foreign Dept. letter d. 15.2.33), as the amounts have since been paid to us.

Sir,

I am directed to refer to your letter No. 1822, dated the 6th February 1933, addressed to the Reforms Office, forwarding a bill in which you have claimed :-

As regards (ii) and (iii), the last pay certificate sent by the Accountant General, India Office, shows that the compensatory and subsistence allowances up to 30th November 1932 have already been paid by the India Office to your account. The compensatory allowance @ £.100/- a month is, therefore,

due

NO.2052

Bangalore,
27th February 1933.

Dear Rao Saheb,

In connection with the Dewan's last deputation to England as Delegate to the Round Table Conference, Messrs. Coutts & Co. were authorised by the Comptroller to the Government of Mysore, to place at the disposal of the Dewan a sum of £ 1,000/- for meeting expenses in London. Against this sum, debits to the extent of £ 900/- have appeared in Messrs. Coutts & Co.'s accounts furnished to the Comptroller; whereas the details of cheques drawn by the Dewan, from time to time, on the Park Lane Branch of Messrs. Coutts & Co., as shown in his accounts, work up to £ 994-17-10. I am therefore to request you to kindly ascertain from the Bankers the actual amount for which cheques were issued by Dewan and cashed. I shall be obliged if you will kindly drop me a line by Air Mail.

Yours sincerely,

Sir,

I write to acknowledge with thanks the receipt of your letter No. D.442-R/33 dated 22nd February 1933, intimating that the Accountant-General, Central Revenues, has been authorised to credit to my account in the Imperial Bank of India, Bangalore, a sum of Rs.3,972-3-0 on account of the allowance due to me.

In your letter under advertance, it is stated that the last pay certificate sent by the Accountant-General, India Office, shows that the compensatory and subsistence allowances up to 30th November 1932 have already been paid by the India Office to my account. I shall be obliged if you can kindly let me know when and how this amount was paid. I have to trouble you for this information as Messrs. Coutts & Co., 440, Strand, London, who are the bankers of the Mysore Government in London have not so far advised us of the payment nor have I myself received any Pay Order from the India Office on this account.

Now that all the items have been finall dealt with in your letter under acknowledgment, I presume that the separate bill asked for in your Department letter No.355/R 33 in

respect of the amount chargeable to the Parliamentary vote, is no longer necessary.

Dear Mr. Singaravelu Mudaliar,

I write to acknowledge the receipt of your No.2052 of the 27th February, in regard to the Dewan's drawings from the Park Lane Branch of Messrs. Coutts & Co. during his last visit to London.

I enclose a statement obtained from the Head Office of Messrs. Coutts & Co. in the Strand, giving full particulars of the drawings from the Park Lane Branch.

The total drawings amount to £995.1.10d. made up of £900. from the credits placed at the disposal of the Dewan by the Mysore Government and £95. being the compensatory allowances credited by the India Office on account of voyage and subsistence allowances.

I rang up the Park Lane Branch of Messrs. Coutts & Co. to-day in connection with the credits of the India Office. I understood from the Manager that these credits were noted by the Branch in the Dewan's Pass Book from time to time as the credits were made by the India Office, but no separate intimation was sent by the Branch either to you or to the Dewan. This will perhaps explain why you have not allowed for these credits in your letter.

Yours sincerely,

Dear Sir,

From a statement of accounts since obtained from Messrs. Coutts & Co. I am therefore to request that necessary adjustments may be kindly effected for the sum of £95/- referred to above.
